

Kuss is participating in the Stop & Shop A+ BonusBucks program. This program awards points that will convert to cash for our school.

We are asking everyone who has a Stop & Shop card to register for Kuss. You have to register online one time only. Thereafter, every time you shop at any of the Stop & Shop supermarkets or use Peapod online and use your card, Kuss will get points based on the amount spent. These points are eventually converted to cash, and a check is written to Kuss. This money in turn will be used for student activities, and items needed by the school.

To register please do the following:

Go to:

1. http://www.stopandshop.com/our_stores/bonus_bucks/index.htm?opco=SNS
