

## Biology of Human Reproduction Reflection Essay #1

As I said, I would like this class to become more discussion-oriented. I will be doing my part by finding interesting topics for us to talk about on our Free-Forum Fridays.

To help facilitate our discussions each Friday, you will be given a topic on Monday (usually with an article or reading). Your assignment is to reflect on the topic and write down your thoughts.

These reflections will be due by Thursday (feel free to hand it beforehand...), will count toward your homework grade, and will be graded as follows:

Points	Expectations
5	Paper contains a thoughtful reflection of the assigned topic
2	Paper contains correct grammar and spelling
2	Paper is typed, 12-point font, double-spaced, with 1-inch margins
1	Paper is shared as a GoogleDoc or e-mailed to me as a word-processed attachment. My email address is <a href="mailto:kriscote@fallriverschools.org">kriscote@fallriverschools.org</a>
Total = 10 points	

Note: If you do not have access to e-mail or even to a computer, please see me and we will make arrangements.
