December 20, 2011

Dear Talbot Community Members:

This letter is to inform you of the dates that have been decided upon as "makeup dates" for the Talbot Middle School. The make up days listed below will be **full days of school**. The day will begin at 7:25 for students and be dismissed at 2:10, as is the regular school day. There will be breakfast and lunch served for all students on these days. Also, students that normally receive transportation will have this provided to them for these days as well.

It is our intention to have a normal school day with business as usual for all students. Having a full day of school with no interruptions will provide the consistency of teaching and learning for the Talbot community. Our teaching staff is committed to providing our students with quality instruction and a focus on meaningful learning.

We are hopeful that as parents and families, you will continue to partner with us and support your student's learning. It is an expectation that they attend all these days as they will be held accountable for their attendance as will our school. We know that together we will accomplish these goals of making up these days and moving Talbot Middle forward as a great place for teaching and learning.

Let me also take this opportunity to say "thank you" for your understanding and patience in this process. We wish you a healthy and happy holiday season. May the New Year bring us all hope and renewed inspiration to focus on our students and all the great possibilities.

All the best,

Elizabeth Coogan
Principal

1. Saturday, January 7th from 7:25 to 2:10 (week we come back from holiday break)
