The Fall River Public Schools is sponsoring a **Teacher Recruitment Fair for Turnaround Schools** for teacher candidates interested in teaching in an exciting, innovative, urban school district. We welcome candidates who are highly effective teachers, recent graduates of undergraduate or graduate teacher education programs, or licensed mid-career candidates looking for a new challenge. We have a number of teaching vacancies for the 2010-2011 school year, with a special focus on our critical need for Mathematics, Science, Special Education and ESL/ELL teachers.

The program will begin with a panel presentation from 3 district principals who will describe the characteristics of effective teachers that they are seeking in the hiring process. At the conclusion of the panel presentation, candidates will have the opportunity to meet with representatives from our high school, middle school and elementary turnaround schools. Candidates should come with multiple copies of their resumes to distribute to school representatives at the Fair.
