Human Body Passport!

For collecting very important information about the human body.

**DIRECTIONS:**
- As we learn about each organ system, you’ll add something to your passport.
- For each system, within a box, you will:
  1. **Name** the system.
  2. Explain *why the system is important*.
  3. Provide *TWO important facts* about the system.
  4. **Draw a picture** of the system.
- For an EXAMPLE, look to the right!

**EXAMPLE: Skeletal System**

The skeletal system is important because ...

Important fact #1:
