Dear Parents/Guardians:

Having an opportunity to celebrate learning at the Morton Middle School is very important to us. We would like to share our students' learning throughout our community. In order to do this we need permission from parents to publish their images, names and work.

Eighth grade parents: We have just started to organize this year's yearbook. Before publishing images of your child in the yearbook we wanted to make sure we have your consent.

If you DO NOT want us to publish your child's image, name or work through the media (web page, video clips, newspaper, yearbook, etc), please complete and send back the bottom of this form.

Sincerely,

Karlene K. Ross
Principal

Student's Name _____ Homeroom _____

_____ DO NOT publish my child's name, photo or work.
