The transfers are available for purchase at each of the schools for \$.50 each. The purchase of spirit wear transfers helps to raise funds for your school's, so proceeds help your child's school.

We recommend checking with your child's school, most have color samples available and may have suggestions for vendors or stores with the proper colors. Parents may purchase their shirts and they are free to buy their clothes wherever they choose, provided they are in the proper colors.

Fall River Public Schools is proud of their partnership with JB Hockey and Sports, located on President Avenue in Fall River, and they are the suppliers for the transfers for the spirit wear program.

For further information on Spirit Wear, or if you have any other questions about your child's school policy on Spirit Wear, call the school directly.
