Is ready to go back to Africa, brothers and sisters! Who's ready to buy a ticket on the Black Star Line and join me?

Duke of Ghana: I'm so there! And thanks for promoting me from "knight" to "duke"!

W.E.B. DuBois: Why not try to make life in America better? This is our home now.

I'm going to spend the afternoon at the library. Education is the key to self-improvement and advancement.

Booker T Washington: I couldn't agree more, Marcus.

W.E.B. DuBois: Improving yourselves just to leave America? You're going from being a second-class citizen to not even being a citizen at all? It's giving in to what they want!

Let us "unite all people of African ancestry of the world to one great body to establish a country and absolute government of their own"!

W.E.B. DuBois: Quoting yourself again, Marcus? Really?

Amy Ashwood Garvey: You're brilliant, darling.
