

21st Century Community Learning Centers Grant

The Fall River Public Schools is planning to apply for a new 21st Century Community Learning Centers Grant beginning school year 08-09. The proposed Learning Center will be located at the John J. Doran School. The 21st Century Community Learning Centers grant funds will provide after-school/out of school time academic enrichment opportunities that complement the students' school-day program. Please feel free to contact Donna Viera, Title 1 Coordinator at the Title 1 office (508)675-8381 with any suggestions relating to this grant opportunity. We will post information regarding the status of this grant as information becomes available.

Thank you in advance for your anticipated input,
The 21st Century Community Learning Centers Grant- Local Council
