

Fall River Public Schools

Middle School Acceptable Use Agreement

1. I will use the Internet, school computers and e-mail ONLY for educationally relevant purposes.
2. I will only use bookmarked sites unless my teacher or another authorized adult supervises and I complete that search using a Fall River Public Schools approved search engine.
3. I will respect the rights of copyright owners and will not plagiarize work that I find on the Internet.
4. I will only use appropriate language and will not send, forward, access or post any material that is likely to be offensive, personal, or threatening to recipients or viewers.
5. I will not download any files or extract attachments from unknown sources that I did not request or expect to receive.
6. I will not use e-mail without the permission of my teacher.
7. I will not enter any chat rooms or use instant messaging without the permission of my teacher.
8. I will respect all school hardware and never load software or do anything to damage any equipment.
9. I will never send any personal information about me or anyone else without first checking with my teacher. Personal information includes pictures, names, addresses, e-mail addresses, home phone numbers or location of my school.
10. **I will not share my personal password account information with anyone, use an account assigned to another user or leave the account open or unattended.**
11. I will not trespass, delete or tamper with anyone else's files, folders, or work.
12. I will promptly inform a teacher if any messages I receive are inappropriate.
13. I understand network files are not private. Network administrators may view the contents at any time in order to maintain system integrity.
14. I agree to maintain any disk quota space provided to me, including school email resources.

I understand that should I violate this contract, the consequences could be the revocation of all network access, suspension or expulsion from school, and legal action by the authorities.

I, _____, pledge to follow these rules while using all instructional technologies at school. I have read the above and understand the consequences.
