## “Chatter Matters”

### Silvia School Beliefs:

- ❑ We believe all students are entitled to a respectful, caring, and safe learning environment where they are encouraged to take risks in order to grow academically, emotionally and socially.
- ❑ We believe that recognizing and honoring diversity strengthens our ability to teach the whole child and build a sense of community.
- ❑ We believe all students will develop the coping skills necessary to build self reliance, perseverance, and self awareness in order to become intrinsically motivated independent thinkers in a collaborative environment.
- ❑ We believe mastery learning is best achieved when students have opportunities to apply skills in authentic situations.

## Approach to Discipline:

Discipline is both proactive and reactive.

- 1) **Proactively**, we work with children to create, teach, and practice classroom/school rules (Behavior Matrix).
- 2) **Reactively**, we use logical consequences to help children regain control, make amends, and get back on track when they forget or choose not to take care of themselves or each other.
