Successful Trunk OR Treat Event!:

A huge thank you to Ms. Homol, our PTO Board, staff and families for a highly successful Trunk OR Treat!

Please find a video of images from this fun day HERE.

Thank you to Ms. Sardinha for taking the pictures and putting together the video that is linked above!!

Arrival Procedures:

We continue to get better and better with arrival and as a result students are getting the most out of time on learning.

One issue that I need to address is that we need ALL CARS TO FOLLOW THE FLOW OF TRAFFIC. Unfortunately, we have cars cutting in line and others dropping kids off in the parking lot to avoid exiting with the flow of traffic.

Starting on Monday, we will put cones up to block cars from not staying in the flow of traffic.

Families that continue to follow our arrival procedures, we thank you. Let’s all work together in the best interest of our students.

Celebration of Learning Night for Families - November 8th:

We are inviting all PreK - 5 families to join us at Silvia for our Celebration of Learning on November 8th from 5:30 - 7:00. We did not have an in person Open House this year with the plan being to have families join us later in the year for Celebration of Learning. The night will be used to illustrate and highlight for families some of the exciting learning the students have been engaged in so far this school year. We will also be given tips and pointers on how you can better support learning at home. A flyer will follow soon, but please mark your calendars!!

Open House Presentations:

This school year, instead of having in person Open House, we invited our educators to create Open House Presentations. You can find the presentations HERE. Once at the link, choose a grade content area to find the educator you are looking presentation has valuable information that pertains to and classroom topics.

SILVIA STARs

Stay safe * Treat others with kindness * Always do your best * Respect yourself, others, and the school
Calendar:

- November 2, 2021 is NO SCHOOL for students
- November 8th from 5:30 - 7 is out *Celebration of Success*
- Find Silvia’s calendar [HERE](#)

School Start Time:

School starts at 7:40 every morning. That means we want students in their seats when the 7:40 bell rings. We open doors at 7:20 and there is minimal traffic from 7:20 through 7:35. Recently, at 7:40 the traffic has backed up causing students to be late. We will not continue to keep the door open past 7:40 and students who are not in the building at 7:40 will be marked tardy. Students are losing learning time when they arrive past 7:40. Please take traffic into consideration when getting students to school on time. Thank you!
