The Silvia Spotlight

From the Principal:

We had a productive full week of school here at Silvia. From break-out rooms, to Google Classroom, to See-Saw, Reflex Math, Epic…. the list goes on and on... but no matter what the technology or platform, our students are ROCKING it!! And so are our teachers and staff as they continue to be innovative, thoughtful and flexible when it comes to their use of technology.

We continue to support our students not only with academic learning but also social and emotional learning. Every day our students and staff begin with a Morning Meeting. These meetings are a vital part of our days here at Silvia. It is important that students are at school on time so that they do not miss this important part of their day. The primary goal of morning meetings is to give students a safe environment that:

- provides a sense of trust
- allows all students to feel important
- encourages respectful learning
- helps regulate emotions
- boosts empathy and teamwork
- prepares students for the day's events
- supports all aspects of learning—academic, emotional, and social

We are looking for families to help us with the work we have done around GRATITUDE and showing GRATITUDE. In last week's Spotlight, and in this week's as well, there is information on the GREAT KINDNESS CHALLENGE. In addition, this week, you can find out how to be a part of our Silvia GRATITUDE video that we are in the process of creating.

Keep up the great work Silvia STARs and families!

Gratitude Opportunity for Silvia Students and Families:

Silvia Families, We are concluding our Choose Love Unit on Gratitude. We would love to hear what your child and/or family is grateful for. Please send student artwork or writings to Mrs. Michel @ kmichel@fallriverschools.org by Friday, February 5th. Please do not include specific teacher or staff names as you may be selected to appear in a Silvia video. By emailing you are consenting to allow pictures on our school social media sites. Please know how grateful we are for all of our Silvia families and your continued support during this period of reduced hybrid learning!

SILVIA STARs

Stay safe * Treat others with kindness * Always do your best * Respect yourself, others, and the school
We did not feel prepared to be the heirs of such a terrifying hour.
But within it we found the power to author a new chapter,
To offer hope and laughter to ourselves.
