

The Silvia Spotlight

From the Principal:

As we head into April vacation, it is the perfect time for all of us to take a moment and reflect on how far we have come in a year. A year ago, we were just beginning a time period of “lockdown” with students engaged in physical packets of work at home. The hallways and classrooms of Silvia were empty. I know for me, there were many feelings related to “the unknown.” Now, a year later, you walk the halls of Silvia and you hear and see students actively learning and communicating. You walk onto the playground at Silvia, and you observe happy children (safely) playing games with each other and practicing skills such as self-management and responsible decision making. Things feel more back to “normal” today than they have in over a year. Although we are not completely back to “full capacity” it is feeling more and more like we will be soon. This is a HUGE credit to the entire Silvia community!!

Today we had our third Silvia STAR student assembly of the school year. We were able to recognize students who have gone above and beyond when it comes to positive character traits. I want to continue to compliment all our students, as they navigate such a challenging year. They have been AMAZING! You can find a list of our STAR students in this week’s edition of The Spotlight on pages 2 and 3.

At this time, all students in grades 3, 4 and 5 are required to take the Massachusetts Comprehensive Assessment System (MCAS). The schedule can be found in this week’s edition of The Spotlight. Students who are full remote, there will be additional information coming about the administering of MCAS so please stay tuned.

Wishing all families a happy and relaxing April break. We will see you back at school on Monday, April 26th!

Silvia Summer Academy and Enrichment SURVEY UPDATE:

We have been APPROVED for a grant through the Massachusetts Department of Secondary and Elementary Education that will provide funding for a Summer Academy and Enrichment. **This academy is for students who are CURRENTLY in K - 5 and do NOT receive extended school year.**

Below on pages 4 and 5 please find an overview of the Summer Academy and Enrichment to get a sense of dates, times, and programming.

In addition, please fill out the survey [HERE](#). This will give us the data we need to start to plan numbers and staffing for the program. The survey is NOT a commitment. It takes two minutes to complete.

Upcoming Dates/Events:

- NO SCHOOL from April 19th through April 23rd for Spring Break
- Please find our school calendar [HERE](#).

Arrival Procedures UPDATES:

For the most part, arrival is running smoothly. However, over the last few days, we have people showing up way earlier than 7:30. This is causing a backup on Meridian and also interfering with staff being able to access parking spots. **Please do not show up at Silvia until 7:30 am.** For full arrival and dismissal procedures please click [HERE](#) for last week’s Spotlight.
