

Directions: Complete as many assignments as you'd like throughout the month of March.
 Return this sheet with at least 8 completed assignments checked off and a parent signature on the bottom by
 March 31. HAVE FUN!

Optional Homework Menu

Life Skills	Math	Read/Write	Computer
 Pack your own school lunch or snack.	Have an adult write 3 different addition/subtraction equations. Show the adult a strategy you could use to solve them. Then, show them a different strategy.	Read at least three times this week for 20 minutes before bed.	Type the answer to this question: What can we learn from forgiveness ?
 Get your school clothes ready.	Log into XtraMath and complete at least 5 lessons. (Lessons can be completed at different times/on different days.) 	Practice writing by answering this question: If you could relive one moment, what would it be? Why?	Log into Typing.com and practice for 20 minutes. Remember: DO NOT LOOK at the keys. 
 Take out the trash or recycling.	Use a ruler to measure 10 items at home. Order them from longest to shortest.	Have an adult write you a few sentences with no periods or capital letters. Rewrite the sentences correctly.	Log in to freckle.com at least 3 different times. Choose either adaptive math or Freckle Library and complete a lesson. 
 Make your bed and the bed of another family member.	Use an analog clock to tell the time 5 times this month. Determine what time it was 1 hour before and after. 	Read a story to a younger brother or sister...or to an adult at home.	Explore the website: learninggamesforkids.com 
 Clear the table.	 Play a math game on: www.mathplayground.com	Read an article on the website  howstuffworks.com	Practice some skills on the website:  (No username is required for most games)
 Feed your pet, OR make yourself breakfast if you don't have a pet.	Ask an adult or an older child to give you an equation. Write a story problem for that equation.	Read the directions to a game you have at home to a younger sibling or to an adult.	Explore Funology.com
